The petitioners have approached this court for a direction to the 2nd respondent to dispose of Exts.P19 to P35 appeals filed by them before the appellate authority under the Kerala Headload Workers Act in respect of registration under Rule 27A of the Kerala Headload Workers Rules. The learned Government Pleader submits that the appeals have been disposed of remanding the matters to the third respondent for fresh consideration in accordance with law and therefore , this writ petition has become infructuous. However, the learned counsel for the petitioners submits that the third respondent is not taking steps to dispose of the matter after remand.

Considering the facts and circumstances of the case, I dispose of this writ petition with a direction to the third respondent to take appropriate action in the matter as directed

by the appellate authority, as expeditiously as possible, at any rate, within three months from the date of receipt of a copy of this judgment.
